

**Recertification**

Requirements for recertification at any level:

- 14 hours of documented CECs/CEUs from approved course(s) completed in the 2 years prior to recertification
- \$75.00 DMERT Group recertification fee

To satisfy the Rehab Industry Continued Education requirement, you must document 10 hours of rehab industry related training received in the prior 2 years, to include: 14 Continuing Education Credits (CECs), 1.4 Continuing Education Units (CEUs) or a combination there of equaling 14 hours of education.

Education must be related to the provision of assistive technology to persons with disabilities.

Copy of attendance certificate(s) displaying the following items must be submitted to DMERT Group with completed Rehab Industry Continued Education form for each level of certification:

- Candidate Name
- Course Title
- Number of CEUs awarded must be indicated, otherwise course will be recorded as contact hours (CECs)
- Instructor/Sponsor Signature
- Course Date(s) and Length/Time

CEUs will be accepted from IACET-accredited providers, professional associations, academic institutions, and state licensing boards. All submissions will be reviewed for qualification by the DMERT Group.

Candidate Name \_\_\_\_\_

The following record of Rehab Industry Continued Education is being submitted for review as qualification to renew:

- DMERT Level 1 Certification       DMERT Level 2 Certification       DMERT Level 3 Certification
